

U.A. Durr Assistance Program

It has been widely reported that U.A. Durr Home Warranty of Metairie, Louisiana has suspended its home warranty operations. Phone calls to its headquarters indicate their phone lines have been taken down. Their web site has been removed from the Internet.

The NHSCA expresses no opinion or position on the future or current status of U.A. Durr Home Warranty, but wishes to offer a market option and expedited assistance to REALTORS and Consumers who may be affected. Notification of this program is simply being offered as a public and industry service.

The following NHSCA members (who operate in the states affected) have indicated a willingness to offer a replacement contract program at attractive terms. Each program may vary by member.

Please contact one of the following NHSCA members for more details.
